Bründlmayer Fizz Rosé

Alcohol-free – Low-calorie – Vegan

Festive, sparkling organic aperitif and alcohol-free food pairing.

The base of this refreshing drink is verjus and grape juice from our vineyards. In combination with carefully selected ingredients (rosehip, quince, aronia…), it creates a distinctive taste experience. The natural carbon dioxide recovered from the fermentation of our grapes also contributes to the special finesse of Fizz Rosé.

Ingredients

Water, grape juice*, verjus*, rosehip juice concentrate*, quince juice concentrate*, aronia juice concentrate*, carbon dioxide**.
* from organic agriculture
** produced in-house

No sugar added. Contains natural sugar.
Store in a cool, dark place.

Tasting note

Medium-bodied salmon pink with fine bubbles, red berry aroma spectrum, cherry, quince with floral and spicy accents. Creamy on the entry, then juicy with lots of freshness and subtle fruit sweetness. Delicately bitter components with herbal spice on the finish.
